

SANDHILL RIVER WATERSHED DISTRICT

July 14, 1961

The Board of Directors of the Sand Hill River Drainage and Conservancy District met at Fertile, Minnesota on July 14, 1961.

Directors Charlie Sheridan, Henry Nolte, Martin Braaten and Amiel Randel were present.

The meeting was called to order by President Charlie Sheridan, who stated that there had been a number of requests for inlet structures into the river for the purpose of draining adjacent farmland. After much discussion, it was decided to table the matter. A discussion of the eroded condition of some of the spillway adjacent to the existing inlets. No action taken.

After considerable discussion on the overall condition of the river and problem of maintenance, the meeting was adjourned on the motion by Henry Nolte, seconded by Martin Braaten.
