

SANDHILL RIVER WATERSHED DISTRICT

July 16, 1953

The Board of Directors of the Sand Hill River Drainage and Conservancy District met at the Court House in the City of Crookston on the 16<sup>th</sup> day of July, 1953.

All directors were present.

The meeting was called to order by the president, Ole G. Olson and he requested the secretary to read the minutes of the meeting held on the 1<sup>st</sup> day of June, 1953. There being no omissions or corrections, the president approved the minutes as read.

The meeting was called for the purpose of discussing what steps should be taken since the Federal Government had allotted money for the improvement of Sand Hill River. After discussing this matter it was decided by the directors to call a meeting at Beltrami, Minnesota with their attorney L.W. Rulien and with the Army engineers so that the necessary steps could be taken so that a contract might be let as soon as possible for the improvement of Sand Hill River.

There being no further business, motion made by Charles Sheridan and seconded by Martin Braaten to adjourn. Motion carried, and the president declared the meeting duly adjourned.
