

SANDHILL RIVER WATERSHED DISTRICT

May 5, 1959

Nolte and Dale Walters came and picked me up and we drove to Sheridan. Martin Braaten was there too. We discussed spray on ditch bank. Walters said his price was \$10.00 per acre or mile (illegible) over. We left it up to him to pick time for spraying and figured approx. 20 miles to spray each side.

N. J. Mjelde, Secretary
